

## Units B1 & B2

### Permit number EPR/GP3493LY

#### Introductory note

**This introductory note does not form a part of the notice**

The following notice gives notice of the variation of an environmental permit.

This variation deletes the existing Standard Rules permit and replace with a Bespoke permit. The annual throughput is increased to 250,000 tonnes and an additional waste type EWC 19 12 12 has been added.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
